Billie J. Grimes

Client Name: Jeff & Julie Michaels

Property purchased: ³⁸⁶367 Olin Smith Rd, Donalds, SC

my husband Jeff & I moved to SC due to a job promotion. We had no idea where we wanted to live & of course we know no one down here. I started searching for homes on realtor.com & when we decided on a general area, we used the same site to find a realtor. To be honest, I chose Billy because in her picture, she has a kind face & a welcoming smile. Jeff & I were never disappointed in our decision. Billy has gone above & beyond our expectations.

At first I was wary to even contact a realtor because we were looking for a small, low price, fixer upper. I know some realtors do not want to waste their time for a "small" return. Not once did Billie ever make us feel like we should buy something more expensive, or that we were wasting her time. We always felt like our needs were just as important as someone that was looking at \$200,000 dollar homes.

When we go to sell our home, purchase property or any other real estate venture, I will definitely call Billie Grimes without hesitation. She is a wonderful, kind hearted person that will find you exactly what you are looking for, no matter what it takes.
