Billie J. Grimes

Client Name: Stephen & Betty Terry

Property purchased/sold: 341 Dickard Road

Despite the fact that this property was only purchased for \$50,000.00, Billie was very helpful.

Unfortunately the Title to the property was not clear (one of the owners had died 3 years previously & the name was still on the Title). This held up the sale by several weeks, but Billie made every effort to correct the problem.

She was always available to answer questions & for the closing. I would recommend her to anyone buying or selling property.
